

ENCLOSUREMODS MADE EZ

Take the guesswork out of estimates and utilize a fixed-cost solution.

Stop spending time making holes and cutouts manually – let Horizon Solutions deliver your Hoffman enclosures and back panels ready to populate. By utilizing our extensive local market inventory, you can enjoy pre-modified enclosures and back panels in as little as one to three days.

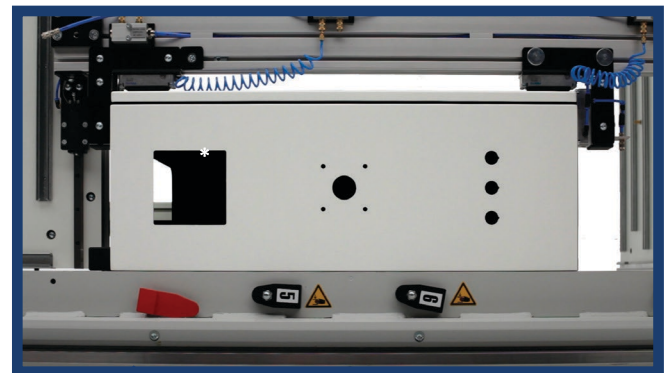

Horizon Solutions is a Hoffman Certified Modification Center

- Precise, clean holes and cuts, every time
- Almost any material, any cutout, shape and size
- Easy to order – supply existing design files or we can create them on-demand for you

Cut Lead Times In Half

Stop spending time modifying your enclosures manually! **Let us do it for you.**
