

INDUSTRIAL SOLUTIONS

Technical expertise you can rely on.

Horizon Solutions provides high performance metalworking products you can trust to help drive increased efficiency, up time, throughput and reduce tooling costs.

Horizon Solutions represents leading manufacturers of metalworking, abrasive, cutting tools, safety supplies, material handling and general MRO products and services.

Find the products you need for everyday machining and to help keep your metalworking shop safe and efficient. Horizon Solutions offers tools for just about every metalworking process from cutting tools and precision measuring to welding and abrasives.

Industrial solutions we offer include:

- Solid Carbide Drills
- Extended Length Drills
- Special Size & Radius Mills
- Face Milling Cutters
- Milling Carbide Inserts
- Thread Mills
- Spade Drills & Inserts
- Deep Hole Drilling
- Tool Holding
- Abrasive Mounted Points
- High-tolerance Boring
- High-tolerance Finishing
- Grinding Segments
- Centerless Grinding Wheels
- Superabrasive Brushes
- Diamond Tools
- Hard Part Turning
- Swiss & Live Tooling
- Work Holding & Fixtures
- Custom Length Bandsaws
- Carbide Tipped Bandsaws
- Carbide Recycling Programs
- **AND MORE**

We deliver holistic solutions that cut costs, streamline operations and improve safety – contributing to measurable bottom-line results.

In addition to our high performance metalworking offerings, Horizon Solutions also offers a wide range of general tool room products. Please see our full line listing on the reverse side.
